Transport-led Opportunities

Crossrail Phase 1

Unlocks investment potential for Cardiff Bay and South East Cardiff

»»» Metro

Cardiff Capital Region

- 1.5 million population
- City lies at centre of transport system

Light rail to the bay

1

Benefits the economy

allowing the region to grow without increased car traffic

2

Can be site specific in targeting impact

e.g. Butetown station

3

Promotes economic confidence

for investors and is proven to deliver land value uplift

4

Provides social inclusion

providing an attractive connection to jobs and training opportunities

5

Will be green

↓ car trips

↓ carbon

↑ emissions
air quality

6

Will promote placemaking

delivering public realm improvements and a sense of connectivity and inclusion

7

Link visitors seamlessly

to the arena, Butetown, and rest of Cardiff Bay

8

Supports health and wellbeing

by linking to complementary investment in active modes and car free environments

*...Creating the mindset of a convenient integrated region
– like London Manchester Madrid etc...*
